Cookie Policy

What are cookies?

Cookies are small text files that websites send to users' devices, where they are stored and then retransmitted to the same sites on subsequent visits. They are used to improve browsing experience, analyze website usage, or provide personalized advertising.

Types of cookies used:

Technical cookies: Necessary for the functioning of the site. No consent required.

Analytical cookies: Collect aggregated statistical information. If anonymized, no consent is required.

Profiling cookies: Used to create user profiles for advertising purposes. Require consent.

Third-party cookies:

The site may use third-party cookies (e.g., Google Analytics, Facebook Pixel). See their respective privacy policies:

Google: <https://policies.google.com/privacy>

Facebook: <https://www.facebook.com/policy.php>

Consent management:

On first access, a banner is displayed for consent choices. Preferences can be changed at any time via the "Manage cookies" link in the footer.

Disabling cookies:

You can change your browser settings to refuse or delete cookies.
